Dar Greg:

Pursuant to your request, this letter is to confirm that, in my capacity as the District Attorney for Etowah County, Alabama and as a member of the Executive Committee of the District Attorney's Association, I have contracted with your firm to create, supervise and manage all aspects of a statewide anti-crystal methamphetamine campaign of public service messages on our behalf. This is to include the creation, production and dissemination of television, radio, print and other media spots, as well as a website. Funding for this campaign of public service announcements is being generated from State and Federal grant funds. The various District Attorney's offices are State of Alabama government sector offices and the Alabama District Attorney's Association in a 501(c) (5) non-profit entity.
